# Potato Chip Cookies

- 1 pound butter (softened)
- 1 cup sugar
- 1 teaspoons vanilla
- 1-1/2 cup crushed Jays potato chips
- 3-1/2 cups flour
- 1 cup chopped walnuts
- as needed powdered sugar

Cream butter and sugar together, then add vanilla and potato chips. Gradually add flour. Fold in nuts. Drop from a teaspoon onto an ungreased cookie sheet. Bake at 350 degrees for 10-14 minutes until edges just turn brown. While cookies are still warm, dust lightly with powdered sugar.
